

You will be awestruck by the incredible presence this room commands as you soak up every luxurious detail. Eyes immediately are drawn upward to the astonishing gilded ceiling centered above the inlaid marble floor. In the center of the unique gold-leaf honeycombed design sits a one-of-a-kind 3,000 square foot stained-glass skylight.

The magnificent Ballroom is further accentuated with solid limestone Corinthian columns adorning each end of the hall's oval. The regal granite walls and delicate stained-glass skylight are softened and warmed by the glow of the gold-leaf dome providing an extraordinary experience that leaves you and your guests breathless.

The architecture of the Grand Ballroom is the ideal backdrop for any event. The intimate rotunda shape naturally lends itself to circulation and the symmetry of the oval provides a versatile backdrop for any stage.
