

Savvy and sophisticated, the Lounge's location, adjacent to the Ballroom, is ideal for a cocktail reception, registration, or press/green room. It is also well suited as an entertainment room accompanying bar and bat mitzvah's. Ceiling-height brass pocket-doors separate the Lounge from the Grand Ballroom, making it easy for guests to move between the two rooms.

Featuring a hand carved, richly painted ceiling and white marble wainscoting, the recently renovated lounge is warm and inviting. The built-in bar adds versatility and function while contributing to the elegance of your event.
